CANCELLATION POLICY

I require a 12-hour advance notice of cancellation of your lesson (unless there is an emergency; this is considered at the time of the event).

You are expected to pay for a full lesson if you fail to cancel without 12-hours notice. I would appreciate time to contact another student who could perhaps use that available time.

Please let me know if you are running late. I will do my best to accommodate you, but I can not guarantee that you will receive a full lesson if you arrive late for your scheduled time.

If I must cancel your lesson for any last-minute unforeseen reason, I will make it up as soon as possible within the same week or at least the same month.

Thank you all for your understanding, and I look forward to our next lesson together.

Warm regards,

Sarah
